

## **SECURITY STATEMENT**

### **Data Security**

- We take reasonable steps to preserve the security of cookie and personal information in accordance with the Rosie Holidays website Terms of Use and this Security Statement. If your browser is suitably configured, it will advise you whether the information you are sending us will be secure (encrypted) or not secure (unencrypted).
- 
- We use the highest levels of technology to ensure maximum security, including 128 bit encryption of all customer data sent between your computer and Rosie Holidays Fiji system.
- 
- We also regularly review developments in security and encryption technologies. While we attempt to provide a secure and reliable online environment, you should be aware that there are inherent risks associated with the transmission of information via the Internet.
- 
- We cannot ensure or warrant the security of any information you transmit to us or from our online products or services and you do so at your own risk. Once we receive your transmission, we take reasonable steps to preserve the security of the information in our own systems.

### **Cookies**

- In common with most other websites, we use cookies. These are very small text files that a website can transfer to your computer's hard drive for record keeping. The cookies can make using Rosie Holidays website easier by storing information about your preferences and will enable you to take full advantage of our services.
- 
- Cookies only identify your computer when you visit a website that uses cookies; they do not identify the user. The information is usually stored in a secure, encrypted cookie on your hard disk and contains information that you chose to provide. You are in charge of deciding what information is available about you.
-

- Cookies are frequently used on websites and you can choose if and how a cookie will be accepted by configuring your preferences and options in your browser.
- 

- Most Internet web browsers are pre-set to accept cookies to enable full use of those websites that do use cookies. However, if you do not wish to receive any cookies, you may configure your browser to reject all cookies or warn you when cookies are being used. In some instances, this may mean you will not be able to use some or all of the services provided on a particular website that require cookies in order to participate.
- 

- You may still be able to use some ‘information only’ pages even if you do not accept cookies.
